Let's face it, Arnold Schwarzenegger is not a Shakespearean trained actor, no matter what "The Last Action Hero" would like to have you believe. ("Hey Claudius... You killed my faddah, BIG mistake!") We do have to admit though that he has had some great, uber quotable lines in his movies over the years.

[Harry Hanrahan](#) has collected 106 of what he believes are the greatest Arnie lines from over the years. I'm willing to bet that as you watch this, you'll be just like me, quoting the lines right along with Arnold.

Enjoy!
