If you ask the average action film fan, (who will usually be male), what's the first thing he remembers about "Total Recall", the 1990 Action Sci-Fi classic that starred Arnold Schwarzenegger, he'll answer the "Consider dat a deevoince" scene, or the bulging eyes finale, he'll never answer, "The 3 boobed hooker." What's really the first thing that popped into his head? The 3 boobed hooker.

get de aihr?" (Was I able to say that with a straight face?) All right, it was "They're gonna include the whore with the three jugs in the film, right?"

Unfortunately, this years version of "Total" will be rated PG-13, which means no tits, and only one utterance of the word "fuck". (Don't ask.) Luckily the great minds of Hollywood spent many manhours trying to work out how they could stick to the PG-13 rating, and still keep to the spirit of the movie. (Hookers with three tits.)

Is that TWO valleys I see?

So after many hours of conversation, arguments, and measurements, (oh, how they measured!) the big brains of movieland figured out what to do. Stick a strip of cloth across the actress' nipples. PG-13 means no nipple, it don't say nuthin' about over, under, or side-boob.
