Coming Soon! To this website! Angel - High School Honor Student by Day - Hollywood Hooker by Night.

Our next review will be of the 1984 classic Angel, starring Donna Wilkes, Rory Calhoun, Dick Shawn, and Susan Tyrell.

15-year-old honor student Molly Stewart (Donna Wilkes) attends her private prep school in the Los Angeles area by day. However, at night, she transforms to Angel: the mini-skirted, high-heeled street prostitute working Hollywood Boulevard after school. Some members of her street family are the aging movie cowboy Kit Carson (Rory Calhoun), street performer Yoyo Charlie (Steven M. Porter) transvestite Mae (Dick Shawn) and fellow hookers Crystal (Donna McDaniel) and Lana (Graem McGavin).

All is not well as hookers are being killed by a psycho-necrophiliac (John Diehl). Los Angeles Police Lt. Andrews (Cliff Gorman) has been assigned to the case, but he has no leads. Tragedy strikes Angel's group of friends when Crystal becomes a victim.

This movie was popular enough to spawn 3 sequels. Each starring a different actress in the starring role.
